## Welcome To Our Company , About US

DIYAN COMPANY registered and classified as Grade One by Both Iraq Federal Government and Kurdistan Regional Government (KRG). Diyan established on 2001, by specialist and technical members who got years of experiences in Public and Private Sectors in the field of contracting and project management specially in the sectors of Electricity, Construction and Trading.

### Description:

Diyan Company is working and specialist in the fields on construction, trading and execution of electricity project in the region, was established in 2001 in sulaimaniyah-iraq . our company is based around the best professional and experienced engineers , experts and staff. The creative, reliable and innovate service that our professional team offers will help you establish a unique business; we are ready to construct and deliver the best quality services to expand for the great efforts and willingness to develop the skills and the kind of work achieved.

Company establishers, soon realized and analyzed the opportunity raised with pump of financial resources coming from United Nation Security Council 986, so called Oil for Food program in Iraq. UNDP assigned to tackle Electricity Sector in the KRG territory. Pending Urgent requirement for rehabilitating Electricity sector in the rejoin became necessary and viewed by Diyan as a core opportunity and business area.

Diyan Valued itself as a long term partner to the Governmental Departments, donors and employers, mandated to provide quality services with advanced solution and developing Technology. Employers and client satisfaction became our target. Responding to growing business and market is our strategy.

## **The business areas of Diyan Company are :**

Rehabilitation and construction of power generation , HV transmission Lines 400kV Double Circuit D/C and 132 kV , 33kV, 11kV OHTL, Substation and Distribution Network .

- Building, Construction , Civil work .
- Design and installing Lighting System.
- Design, Drawing and execution the structure of tower (100m,70m, 40m,35m,20m).
- Survey (Line Survey, preparations of plan and profiles, Design of line, Tower Distribution).
- Installation of small Diesel Generators and water treatment plant.
- Provision and execution materials and equipment of communication system .
- Provision of HV and LV electrical materials.
- IT and Computer Service ( Data base Design and management )

Furthermore , Diyan Company has wide and comprehensive operational backgrounds and years of experience .We also deal with several international companies in this specialized field can provide you with different materials that will be used in the sector construction and industries . we are executing all kind of construction and electricity .

Our company has the pleasure to introduce services in this field to governmental offices , private and public sectors , it has a specialized staff that is acquainted with modern technology. Our staff have unique abilities with high experienced ; we have all the required equipment and machines for relating above works.

Our industrious work to execute the large, medium and small projects is the hope that makes us go forward to work in all circumstances adding that we are seriously going ahead to raise up the name of our company to be one of the leading companies in Iraq.

In offering our services we pride ourselves of our capability to meet all customers' requirements. Thereby ensuring complete quality control of product from receipt to commissioning and our services are tailored to meet the particular needs of each client.

We look forward to extend our high quality expertise and engineering capabilities to the region of Kurdistan and all Iraq.

# **Diyan Company**

Through continues 14 Years work on ground, growing annual turnover from half million to Eight millions, building dedicated management level, technical and administrative staff, well reputable and respected by employers are evidence of our progress.

## **Diyan Company is now proud to state definitely that it's well qualified in:**

- Engineering, design and implementation of Electricity sector projects; Power Generation, High Voltage Power Transmission and supply of Electricity Projects and solution demands.
- General Construction.
- Smart solution for Smart Metering.
- Trading.

Diyan Company, realized needs of International forging business holders and companies partnership. This made Diyan to engage in partnership on Joint Venture and Consortium agreement with too many big companies. We are mandated to find best partners locally and internationally to respond to the growing market.

## Goal and Plan:

Diyan Company Goal is to develop its financial, Technical capacities. To keep on the same pace of challenging difficulties, minimizing risks and maximize opportunities. To becoming constructive partner to other stakeholders in the field of Utilities and other service providers.

Taking every opportunity to channel international technical practice to inside Iraq and localizing every possible expertise.

## **Target Plan:**

- Collaborating and supporting Ministry of Electricity/ Kurdistan Regional Government to materialize and implement SMART Metering project for electricity Utility provision and selling.
- Contributing with Ministry of Electricity/ Kurdistan Regional Government in its plan for implementing 400Kv Transmission line. We are capacitated to work worth of 100 Million US Dollars.
- Expanding working geographic area to cover Middle and South of Iraq.
- Providing International and Worldwide technic and solution through engagement with foreign specialized companies on Joint Venture or Consortium agreement base to tackle strategic projects.
- EPC project Distribution project, 33kv project and 132 kv-400kv Projects.

## **Our Services**

We offer our clients various types of services that include, but are not limited to :-

- Pre-construction consultancy and planning
- Construction management and implementation
- Residential, public and commercial buildings
- Roads and bridges
- Water and sanitation systems

## **Provision of supplies and logistical support;**

Supply Towers from reliable proved international companies MITAS / Turkey – GAM ARAK – Iran, etc.

Supply Conductor from reliable proved international companies HASCELIK / Turkey – MIDAL – Bahrain, etc.

Supply THERMAL Conductor from reliable proved international companies TREFINASA / Spain – MIDAL – Bahrain, etc.

Supply Insulators from reliable proved international companies SEDIVER / France – SGD – Spain, etc.

Supply OPGW and OPGW hardware's from reliable proved international companies Prysmian / Spain, etc.

Supply hardware's from reliable proved international companies SAPREM / Spain - SARA / Turkey, etc.

## **What Distinguishes Diyan Company**

- Professionalism, honesty, reliability, quality of work, timely delivery, being client oriented, and care for the community and the environment.

**Work Similarity and Experience as Contractor**

Item	Name of Project	Type of Work	Contract Period	Completed Work	Place of Work	Contracting Authority and Client
<b>Work Similarity and Experience as Contractor in OHTL Sector</b>						
1	Reconductoring of existing 132kV DC OHTL Kalar - Kifri replacing single ACSR Lark conductor with the Single ACSS conductor equivalent to Lark Conductor 30km	Complete Project	180	100%	Kalar	Aggreko - MOE
2	33kV DC OHTL single lark between Kifri 132kV/33kV S/S - Kifri 33kV S/S 7.6 km	Complete Project	90	100%	Kalar	Aggreko - MOE
3	KRG -MOE / ST-17/2011 33kV DC OHTL between Chamchamal S/S - Qader karam S/S 50km	Complete Project	365	100%	Sulaymaniyah	MOE
4	KRG-MOE/ST-17/2011 33kV DC OHTL between Chwarta S/S - Mawat S/S 25km	Complete Project	365	100%	Sulaymaniyah	MOE
5	33kV DC OHTL between Peniween S/S - Sarsaraw S/S 18km	Complete Project	365	100%	Sulaymaniyah	MOE
6	KRG - MOE/ST11 132kV OHTL D/C Twin Teal Said sadq S/S - Peniween S/S 50km	Complete Project	365	100%	Sulaymaniyah	MOE
7	KRG - MOE/ST11 132kV OHTL D/C Twin Teal Said sadq S/S - Halabja S/S 38km	Complete Project	365	100%	Sulaymaniyah	MOE
8	KRG - MOE/ST11 132kV OHTL D/C Twin Teal Rania S/S - Chwar Qurma S/S 2km	Complete Project	365	100%	Sulaymaniyah	MOE
9	132kV OHTL Double Circuit Steel Tower Twin Teal ACSR + OPGW ( Massab Substation - Alfohood Substation)	Complete Project	400	100%	Nasirya	SA-RA Company-Diyana Company - Ahbab All Iraq Co. MOE
10	132kV OHTL D/C Twin Teal (Taza - Mala Abdula Power Station) 42km.	Stringing Section	35	100%	Kirkuk	Energoinvest Co.
11	132kV OHTL D/C Twin Teal (Taza - Mala Abdula Power Station) 18km.	Stringing Section	30	100%	Kirkuk	Energoinvest Co.
12	132kV OHTL Double line single lark (Taza - Tuz Substation) 76km x 2 lines.	Stringing Section	120	100%	Kirkuk	Energoinvest Co.
13	132kV OHTL Double line single lark (Taza - Tuz Substation) 46km x 2 lines.	Stringing Section	80	100%	Kirkuk	Energoinvest Co.
14	132kV OHTL D/C Twin Teal (Kalar - Darbandikhan HPS) 74km.	Stringing Section + 1% of Foundation + Tower Erection	540	100%	Sulaimany - Kalar	MOE
15	132kV OHTL D/C Teal ( Kutfa Substation - Tire Factory) 52km	Complete Project	96	100%	Najaf	MOE
16	132kV OHTL D/C Twin Teal (Tikrit - Saddam Oil Field) 26km x 2 lines	Complete Project	125	100%	Tikrit	MOE
17	132kV OHTL D/C Twin Teal (Beiji - Mousil ,555 Project) 12km x 2 lines	Complete Project	85	100%	Tikrit - Mousil	MOE
18	132kV OHTL D/C Twin Teal (Mustub Substation - Main Power Station) 24km.	Complete Project	45	100%	Baghdad	MOE
19	132kV OHTL D/C Twin Teal (Mustub Substation -As-Sakndariya Factory) 16km.	Complete Project	108	100%	Baghdad	MOE

20	132kV OHTL D/C Twin Teal (Hamdaniya Substation - Mousil Substation).	Complete Project	215	100%	Mousil	MOE
21	132kV OHTL D/C Single Teal (Babis - Azadi).	Complete Project	60	100%	Kirkuk	iCC Company
22	400kV OHTL D/C (South Baghdad - East Baghdad).	Complete Project	60	100%	Baghdad	iCC Company - FLUOR Company
Work Similarity and Experience as Contractor in Substation						
1	KRG- MOE / ST-17/2011 33kV DC OHTL between Chamchamal S/S - Qader karam S/S 50km	Complete Project	60	100%	Kalar	Aggreko - MOE
2	KRG-MOE/ST-17/2011 33kV DC OHTL between Ithwari S/S - Monat S/S 25km	Complete Project	100	100%	Sulaymaniyah	UI Energy - Korean Co.
Work Similarity and Experience as Contractor in Electricity Sector						
1	Installation of 11kV lines at different location between Kalar - Darbandikhan 20km	Complete Project	100	100%	Kalar	Beshkan - MOE
2	Supplying of 7000m of power cable 19/33kV	Complete Project	75	100%	Sulaymaniyah	UI Energy - Korean Co.
3	Supplying Materials and Installation of Street lighting to Raniya - Qaladiza, Raniya - Chwaqurna Roads 45km	Complete Project	150	100%	Sulaimany - Raniya Chwaqurna - Qaladiza	Electricity of Sulaimany
4	Supplying 24,700 Nos. of Various types of Poles ( 9m and 11m) with all accessories for Electricity Projects.	Complete Project	260	100%	Kurdistan Region	MOE - Sulaimany Electricity - Projects
5	Supplying 600 km. of Various types of Conductors ( AAC and ACSR ) for Electricity Projects.	Complete Project	260	100%	Kurdistan Region	MOE - Sulaimany Electricity - Projects
6	Supplying 300Nos. of Various types of Transformers ( 100kVA, 250kVA, 400kVA and 650kVA ) for Electricity Projects	Complete Project	260	100%	Kurdistan Region	MOE - Sulaimany Electricity - Projects
7	Supplying 80,000 sets of Indian Insulators Various types (Pin with spindle, Disk with Hardware and LV insulators) for Electricity Projects	Complete Project	300	100%	Kurdistan Region	MOE - Sulaimany Electricity - Projects
8	Installation of 11kV lines to Chamchamal - Tokiya, Darbandikhan - Komati, Kalar - Kifri regions	Complete Project	90	100%	Sulaymaniyah	MOE - Sulaimany Electricity
9	Supplying Diesel Generator Sets, 100kVA, 250kVA, 400kVA and 500kVA	Complete Project	60	100%	Sulaymaniyah	MOE - Sulaimany Electricity
10	Installation of LV lines inside Arbil - Sulaimany	Complete Project	90	100%	Sulaymaniyah	MOE - Sulaimany Electricity
11	Installation of 11kV lines inside Xaniza and Qulash Villages - Sulaimany	Complete Project	60	100%	Sulaymaniyah	MOE - Sulaimany Electricity
12	Supplying Materials , and Installation of 11kV lines with LV lines for perijween districts,presy sunw , kani meani haba dit etc...	Complete Project	150	100%	Sulaymaniyah	MOE - Sulaimany Electricity
13	Supplying Materials , and Installation of 11kV lines with LV lines for Koya districts, Taq Taq and Shwon areas	Complete Project	500	100%	Sulaimany - Erbil	MOE - Sulaimany Electricity
14	Supplying Materials , and Installation of 11kV lines with LV lines for Sharazoor districts, Halafin and Perijween areas	Complete Project	300	100%	Sulaymaniyah	MOE - Sulaimany Electricity

15	Providing Technician and Skilled Labors	Complete Project	120	100%	Sulaymaniyah	UN - UNDP
16	Repairing and Maintenance of 4 Diesel Generator Sets 1MW with Diesel Welding Machine.	Complete Project	60	100%	Sulaymaniyah	UN - UNDP
17	Supplying Diesel Generators	Complete Project	30	100%	Sulaymaniyah	Electricity of Sulaimany
<b>Work Similarity and Experience as Contractor in Civil Work Sector</b>						
1	Dismantle and Installation of Water Tank 30m height x 350m <sup>3</sup> cape	Complete Project	90	100%	Sulaimany - Kalar	Governorate of Sulaimany
2	Construction of 40 Houses	Complete Project	180	100%	Sulaimany - Kalar	QANDIL Sweden Co.
3	Dismantle and Installation of Water Tank 30m height x 350m <sup>3</sup> cape	Complete Project	90	100%	Sulaimany - Kalar	QANDIL Sweden Co.
4	Renovation of 3 Schools,	Complete Project	120	100%	Sulaymaniyah	UN - HABITAT
5	Construction of Halabja School	Complete Project	90	100%	Sulimany - Halabja	QANDIL Swiden Co.
6	Renovation of 2 Nos. Schools.	Complete Project	90	100%	Sulimany - Halabja	UN - HABITAT
7	Renovation of 2Nos. of Primary Schools.	Complete Project	60	100%	Sulaymaniyah	UN - HABITAT
8	Supplying Materials and Construction of Leath and Dentist Hospital inside Sulaimany	Complete Project	500	100%	Sulaymaniyah	Ministry of Health
<b>Work Similarity and Experience as Contractor in GSM Tower and Tele-Communications Sites Sector</b>						
1	Manufacturing and Installation of GSM Tower 20m height	Complete Project	40	100%	Sulaimany - Mama Yara	Asia Cell
